QUALITY ★★★☆☆

i-Jack AD 35 AN

Mobile Audio Adapter Cable, 3.5 mm Audio Jack to 3.5 mm for Android devices

The 3-star Audio Adapter Cable with a 3.5 mm Audio Jack offers not only flexible connectivity, but also brings with it the control functionality for the main functions of Android devices. The cable is extremely well protected from external interference and guarantees safe transmission and effective protection against corrosion with its 24 carat gold-plated contacts and solid metal connectors. The high quality inner conductors (made of OFC copper) ensure connection stability and high quality signal transmission
